# Enrolment Payment Policy

All students will be required to complete their enrolment by **submitting a registration request using ACITY+** during the designated enrolment period prior to the start of the semester / academic year. New Students need to have accepted their admissions offer through the “ACCEPT” button in the admissions decision email in order to be onboarded and register for the semester.

The admissions offer letter (attached in the admission decision email), will contain a breakdown of the tuition fees for the student’s selected programme, as well as a payment plan that is available for the student to enroll in should they require it.

## Registration for Each Semester

Based upon the student’s admission letter, the accounts manager will schedule the student’s bill each semester, taking into account any discounts or scholarships that are offered to that particular student. The student will then be emailed a copy of their invoice, and will be responsible for making payment of that invoice by the stated due date or deadline.

- Online through <https://acity.edu.gh/fees/> with Credit/Debit Card or Mobile Money.  
Receipt will be emailed.
- In Person at the cashier’s office with Cash or Cheque.  
Receipt will be handed in person.
- Via Bank Transfer.  
Receipt will be emailed only after funds have credited to the school’s account.

Continuing students who are re-registering, can proceed to submit a re-registration request through ACITY+ Student Mobile App. Once their registration has been approved by the academic department, they will be emailed a copy of their invoice, and once again will be responsible for making payment through the channels outlined above. To register for any semester, the student must at the very least make a downpayment towards a payment plan, and ensure they meet all subsequent installment deadlines.

The submission is electronic, and will be electronically approved by the Registrar's office and subsequently the Head of the Department of the course they failed.

## Fee Amount:

In a case with more than 11 cumulative credits failed, a student will be asked to withdraw from the program, with the opportunity to reapply to the program again as a fresh student from year 1 (application will be freshly reviewed again and is not guaranteed).

In the case where a student has 11 or less cumulative credits failed, the student will be required to 'Re-take' the failed course(s) in their entirety (from start to finish) in subsequent semesters when the course is offered again.

# Resit Exam Fees Policy

A resit exam can be taken for any course that is failed in a semester. Although the Registry will prompt students who have failed to appear for a resit and provide to students the scheduled resit times, students must diligently inform the registry if they have to retake an exam. You can apply for a resit by going to semester registration in ACITY+, and selecting the “Exam Resit” button. The submission is electronic, and will be electronically approved by the Registrar’s office and subsequently the Head of the Department of the course they failed.
