ACADEMIC CITY WELCOMES THE CLASS OF 2027

Academic City University College has held its matriculation ceremony for the class of 2027.

The short but beautiful ceremony welcomed 213 students from 15 different countries who have enrolled for the 2023/2024 academic year to pursue Academic City's uniquely designed programmes.

The families of the matriculants graced the ceremony, their smiles radiating joy as they witnessed their children embark on this new chapter of their academic journey.

ORIENTATION SESSION FOR COHORT 2

Academic City warmly welcomed the dynamic second group of ACitizens, the Class of 2027 with a week-long orientation programme to kick off the year 2024 on a high note. The activities were designed to acquaint them with our campus, programmes, and support services. From informative sessions on academic expectations to engaging team-building exercises, our freshmen had the opportunity to forge connections and lay the foundation for a successful university experience.

ACITY ORGANISES TECH EXPO 2024

Academic City recently organised its annual Tech Expo to explore the forefront of healthcare technology. The event served as a platform to delve into the latest technological advancements and groundbreaking ideas within the healthcare domain.

Themed "Innovations Shaping the Future of Healthcare," the event aimed to showcase various technological breakthroughs poised to reshape the healthcare landscape. Students from high schools and universities across the country seized the opportunity to present their inventive projects, cutting-edge research, and visionary ideas, fostering an environment of collaboration and innovation.

ACITY HOSTS AIRTAD '24 ROUNDTABLE DISCUSSION AND ROBOTICS COMPETITION

Academic City hosted the Third Annual Impact Roundtable Discussion (AIRTAD '24) and Robotics Competition. The competition brought together students, educators, and innovators from across the globe to exchange ideas and showcase their robotics prowess.

As the host, our admissions team went above and beyond to provide an unforgettable experience. They kicked off the event with an engaging scavenger hunt, guiding participants through the nooks and crannies of our dynamic campus. From hidden murals to bustling student hangouts, the scavenger hunt offered a glimpse into the vibrant tapestry of campus life.

ACITY WELCOMES STUDENT DELEGATION FROM NORTHEASTERN UNIVERSITY

Academic City welcomed a delegation of eight student executives from the Innovators for Global Health (IGH) Club of Northeastern University (NEU) and their advisor, Dr. Joshua Hertz. This represented a key milestone in our cooperation efforts. On March 4, the delegation met with our academics and had productive conversations. They also worked on bioengineering initiatives like the surgical theater lamp.

On March 8, 2024, the NEU delegation inaugurated the ACity Chapter of the IGH Club. Their attendance was significant since they represented the parent IGH Club and generously donated Arduino training kits to our new branch.
